# WINTER & BACK-TO SCHOOL ILLNESS

18 September 2024

Dear parent

## Keeping your children well this winter

As the winter months approach, you may have concerns about your child's health as coughs, colds and other minor illnesses increase.

### Right care at the right time

We have created some web pages which offer you helpful advice about common conditions in babies and children and the symptoms to look out for. We hope this information will help you decide when you can treat your child at home, when you need to seek medical help and which service to choose.

Please visit: [www.notts.icb.nhs.uk/childrens-health-and-wellbeing](http://www.notts.icb.nhs.uk/childrens-health-and-wellbeing)

Please be assured that GPs and health services will want to see your child if you have concerns about their health and welfare. We know that babies can decline rapidly, and GPs will continue to prioritise care for babies and toddlers up to two years old. You should keep a watchful eye on how symptoms develop and trust their instincts.

Your General Practice Team is made up of a range of healthcare professionals who work at your practice and in the wider community to help you and your family get the right care when you need it. Depending on their needs, your child may be seen by another general practice team member such as a Nursing Associate or Advanced Physiotherapist.

If you are unsure, use [111.nhs.uk](http://111.nhs.uk) or phone 111 to get assessed and directed to the right NHS service.

### Pharmacies

Most Community Pharmacies are offering the Pharmacy First service which includes NHS medicines to treat the following in children:

- Sinusitis in those aged 12 years and over
- Sore throat in those aged 5 years and over
- Impetigo (a type of skin infection) in those aged over 1 year
- Infected insect bite in those aged over 1 year
- Earache in children 1 -17 years (please note: this cannot be provided by distance selling pharmacies)

NHS Nottingham and Nottinghamshire  
[notts.icb.nhs.uk/](http://notts.icb.nhs.uk/)

Your GP practice may refer you to this service, but you can also walk into your local pharmacy and ask how they can help you.

As well as the Pharmacy First service, over the counter medicine from your local pharmacy can help manage symptoms of many minor illness, including paracetamol, ibuprofen and eye drops. Pharmacists can provide advice on the use of these medicines and instructions are provided in the packaging.

### **Vaccinations**

One of the main ways that you and your family can stay well over the winter months is by making sure you are protected from illness.

This winter, the NHS is rolling out a new vaccination for respiratory syncytial virus, also known as RSV. This marks a big step forward in protecting older people aged 75 to 79 and newborn babies. If you are 28 weeks pregnant or over, speak to your GP or maternity team about this vaccine.

Your GP will be delivering flu vaccines to children who are aged two and three or children aged two to 17 with certain long-term health conditions. All other eligible children will be able to get a flu vaccination through the school immunization team. COVID-19 and flu vaccines will be available to book via the NHS website from 23 September. Visit the NHS website to find out who is eligible.

It's not too late for your child to catch up on their MMR vaccination. The MMR vaccine is recommended for all babies and young children, but older children and adults can have it if they were not vaccinated when they were younger. Two doses give life-long protection.

Speak to a GP to arrange an appointment if you think you or your child needs to catch up.

Find out more about vaccine eligibility and how to book at:  
[www.notts.icb.nhs.uk/vaccinations](http://www.notts.icb.nhs.uk/vaccinations)

### **Absence from school**

If your child is unwell and cannot attend school, you don't need a sick note from your GP.

If a child feels well in themselves, you can authorise your child's school to hold and administer over the counter medicines to treat their symptoms as needed. A doctor's prescription is not required for this authorisation. The medicine should be clearly labelled with your child's name and include the packaging so that staff can follow the generic age-related instructions.

Providing NHS services

Most pharmacies can help you  
with **seven common conditions**  
without needing a GP appointment

- **Sinusitis**  
(adults and children aged 12 years and over)
- **Sore throat**  
(adults and children aged 5 years and over)
- **Earache**  
(children and young adults aged 1 year to 17 years)
- **Infected insect bite**  
(adults and children aged 1 year and over)
- **Impetigo**  
(adults and children aged 1 year and over)
- **Shingles**  
(adults aged 18 years and over)
- **Urinary tract infection**  
(women, aged 16 to 64 years)

Ask your pharmacy for more  
information about this  
free\* NHS service

# A great **OPAL** uniform

We are pleased to advise that branded tracksuit bottoms\*, polo shirts and jumpers/cardigans, can all be ordered through the school office.

*\*\* tracksuit bottoms can now be supplied with and without a logo via the school office. Note, that these uniform items are ordered half-terminly through our school wear supplier.*

Heather Grey

Navy

Black

Light Blue

White

Plain trainers, or trainer-style shoe

Wellies (kept in school)  
Water-proofs: jacket with hood or puddle-suit (kept in school if possible)

## Other uniform options:

PE kit – to be worn to school on allocated PE days. We do not get children changed for PE during the school day.

- Sportswear suitable for outdoor sports activity – avoid large logos / expensive brands\*\*
- Trainers & socks

\*\*As long as PE kit looks suitable for doing sporting activities, we are not specific about exactly what it should be. Children must be in trainers for PE. Affordable suggestions would be: plain t-shirts, plain tracksuit bottoms or sports leggings, zip-up hoodie for warmth in colder months.

*If children are wearing a really great OPAL uniform, this would also work for PE, so long as proper trainers are worn that day.*

**Are you worried about your child?**

**Is something happening in school with your child that you need to talk to someone about?**

- 1) **FIRST STEP** is to talk to their teacher. Teachers can't chat for long before school and sometimes they have to attend meetings after school. If you need a chat, ask at the office for a call back from the teacher asap  
CLASS DOJO is not to be used to raise a problem or worry.  
Teachers do not check messages on Dojo regularly nor should they be responding to you after working hours via Dojo
- 2) **NEXT STEP** if you're still upset or worried and things haven't got better, ask to speak with the Assistant Head for your child's year group
- 3) **LAST STEP** if remain unhappy with actions taken, please call into the office and ask for our Deputy Head or Headteacher to call you

We are all working really hard to look after lots of children and families. We won't always be able to chat to you straight away but we do care about making sure children are happy and safe at school.

The next pages of this poster shows you how we escalate incidents of negative behaviour and who gets involved and when. We have lots of people at Walter Halls whose job it is to make behaviour as positive as possible – but our children are all still young and need help to learn these things over time. If you feel like a problem isn't changing quickly, quite often this isn't because we're not doing anything about it. Some children need lots of help to change behaviours and this takes lots of time and effort from different adults.

# R2R10

1	<b>R</b> Reminder from the adult	We all need reminders about our 3 school rules sometimes: <b>Ready?</b> <b>Respectful?</b> <b>Safe?</b>	
2	<b>2</b> 2 minutes owed	<b>You will</b> spend 2 minutes of your free time with an adult discussing why your <b>behaviours</b> aren't RRS  <b>The adult will</b> explain this clearly to you and help you make changes	
3	<b>R</b> Reminder from the adult	If this <b>behaviour</b> carries on the adult will give you just one more reminder.	
4	<b>10</b> 10 minutes owed	<b>You will</b> spend 10 minutes of your free time with an adult discussing why your <b>behaviours</b> aren't RRS and put right what has gone wrong  <b>The adult will</b> explain this clearly to you and help you make changes. They might give you a task to do to help you put things right	
5	<b>TIME OUT</b> - A short amount of time away from everyone - OR a longer amount of time needed away from everyone All the adults will decide how long is needed based on what has happened. (Learning mentor/Phase leader / deputy head stage)	<b>You will</b> be taken by a different adult to spend time away from your year group  <b>The adult will</b> RECORD this in the <b>behaviour</b> log, arrange where you will spend your hour, <b>organise</b> a restorative conversation	<b>UNSAFE BEHAVIOURS MOVE STRAIGHT TO STAGE 5/6/7:</b> - Verbal with intent to harm - Physical harm - Racial - Homophobic - Bullying  All the adults can decide which stage your <b>behaviour</b> should go to, depending on the circumstances.  At all times this is RECORDED and contact with home is made.
6		<b>The adults will</b> call home the same day if your <b>behaviours</b> are repeated or unsafe. Adults at home will receive a letter to keep them updated at the end of term and may be invited in	
7	<b>Headteacher adults at home and outside help needed</b>	<b>BACK ON TRACK PATHWAY NEEDED</b> - 'Team around' meeting considered - Face-to-face meeting with outside adults - Regular review of support	

Repeated unsafe behaviours will always be dealt with by senior leaders, on a STAGE 7 plan. You can see more about STAGE 7 on the next

**GETTING BACK ON-TRACK** – The adults will be keeping track of where you are and where you need to be:

Walter Halls believes in **EQUITY** over **EQUALITY**. Everyone needs different things, not the same. Some children and families need more help than others. That's why Walter Halls has a full-time family support worker, a full-time play therapist, two full-time behaviour mentors and lots of staff who believe in helping children with challenging behaviours. We do lots of things to help before we ever reach Stage 7 or excluding children from school.

## OUR CORE VALUE DURING AUTUMN 1 TERM IS...

---

### RESPECT

*We teach our children about our values - what they look like and what they sound like. The teaching we cover for this can be found on our website, under the tab 'Visions and Values'. **Here is what we talk about connected with this terms value of RESPECT:***

---

- *Respect isn't always about compliance and doing what you're told.*
- *Ways of showing respect and that respect has to be earned – it takes time and effort.*
  - *Respecting religions, other cultures and ways of living.*
  - *Respecting the environment to help all of our futures.*
- *How our actions have an impact on others and the wider world.*

- *Having different opinions but still getting along.*
    - *Listening skills.*
    - *Taking turns.*
  - *Safe ways to share opinions and what to do if you disagree.*
- 
- 

*As always, your help in talking to your children about all of these things at home is appreciated.*

---

## OPAL PLAY UPDATE

---

*Our School started its journey to becoming an OPAL school just last November and we still have a lot of work to do to get it where we want it to be. We continue to work through our action plan with the external support of our experienced OPAL mentor. This is long-term commitment based on research into effective learning via play and children's absolute need to be more active, playful and be able to assess their own risks. The impact we have seen already is amazing - both on behaviour improvements and with children's capacity to sustain focus and learning in the afternoon time.*

*We will be developing our website this year to offer a quicker way for our families to access OPAL information. Our OPAL Governor is Shani Melbourne and our OPAL leader in school is Jo Glover.*

*If you're not familiar with OPAL approaches, please take a look here...*  
<https://outdoorplayandlearning.org.uk/parents/>

...and look out for our OPAL updates coming your way too!

A yellow button at the bottom says 'Sign up and support this cause'.

---

### *CAN YOU HELP OUR LOVELY SCHOOL?*

*We currently have 149 supporters who have helped to raise nearly £2000 for our school, so far. This is a meaningful amount of money that comes directly to us to help support our children. This academic year we would like to continue to put the entire money raised through this initiative towards all school visits and trips. We want to make sure ALL of our children get these chances, no matter their circumstances, and we have NO spare budget to make these amazing experiences happen.*

*If you have yet to join, or know anyone else who would be willing to join, it is so simple and quick to do. You do not have to donate a set amount - simply shop online through this APP, spending the money you*

would normally spend, and we will get a small donation made each time! From take-aways to holidays there are so many online outlets that support this initiative.

## Safety reminders

- 
- **COVID and other illnesses** - we want and need our children in school as much as possible. At the moment, advice is for children to isolate for 3-days if you know they have COVID. Upset tummies and sickness requires 48 hours of being at home, to stop the spread. See our poster for other common childhood illness and what you need to do about school attendance.
  - **Please do not gather on the school grounds at the start and end of days.** We have Epic Sports running after school activities and need to be vigilant in closing our gates at the right times to keep the children safe, both in the morning and after school.
  - **No dogs are permitted on site at any time** - we love them but not all children do so please respect this and make plans to leave them at home when coming to school site.

- **Bikes and scooters** - all adults and children should not be riding through the site - please dismount and push them through our pathways.
  - **PE kits** – To avoid children needing to get changed during the school day, PE kits must be worn to school on the day of PE, along with a coat / jumper / cardigan to keep children warm during other parts of the day. PE kits must be plain blue tracksuit bottoms or shorts and a plain white top. If you're still unsure of PE days, please call the office.
  - **Please be considerate and safe when parking outside of our school gates.** Parking officials patrol as regularly as possible. We politely ask that all of our families are mindful of road safety around our school, where very young children are walking in and out.
  - **Respectful behaviour on site** - We respectfully remind you that school is private property and holds it's own set of expectations for conduct on site. If your child walks to and from school alone or gets picked up by another adult we need to know about this - please call the office. We expect all of our children to arrive and leave site in a respectful way and for the conduct of all adults on our site to be polite and respectful too. Repeated cases of problems with this on our school grounds can lead to us asking you to escort your children to and from their classrooms instead of arriving or leaving by themselves and we may ask adults to remain at the gates if respectful and polite adult behaviour becomes an issue.
-
