

Dear parents and carers,

We are delighted to announce that The Lime Trees will be working in partnership with Walter Halls Primary School after May half term 2025. Launching the new Breakfast and After School club provision on the school site.

The Lime Trees

As an Outstanding childcare provider, The Lime Trees' mission is rooted in helping and supporting each individual family. We recognise that every child, every family and every home is unique and our aim is to deliver a service that we, as parents, would be proud to use. We realise that flexibility and affordability of childcare is essential to meet the needs of modern family life. That's why our session times and booking software are designed to allow you to manage the care of your children around your schedule and not the other way around!
