## NEWSLETTER - 20th October 2023

---

*Dear parents and carers,*

*Happy half term! I know all of the staff here feel ready for a slower pace and I'm sure a lot of our children will be needing a well-earned rest after a mega-busy first half term! The first part of a new school year is always the toughest, as staff get to know their new classes. Year 5 have shown such resilience this term, with the absence of Miss Pope and I shared how proud I was of them all this week - they have really pulled together as a team and made every effort to do their very best! Thank you to you all for your patience and support so far this year.*

**OPAL - Please, please, please try to help us in collecting as many 'loose parts play' items as possible from now on. THE FLYER DETAILS EVERYTHING WE NEED AND COLLECTIONS START ON THE FIRST WEEK BACK AFTER HALF TERM!**

*Miss Fisher's has had her beautiful baby...it's a girl! Lily Hogg arrived last Sunday, weighing 7lb 9oz and everyone is healthy, happy and so very much in love! Take a look at a photo she has shared with us for this newsletter...*

*Rachael Pierpoint - our lovely behaviour & learning mentor is leaving us this half term. Mrs Pierpoint has got a similar job closer to her home. After working closely with lots of our children, there will be lots of people who will miss her being at Walter Halls and we wish her lots of happiness in her new role. We have advertised this full time position and will be recruiting in December. In the meantime, we have met with a few different temporary cover candidates and welcome Joe Hockham who will be supporting across school from after half term.*

Is your child struggling with sleep? *Our family support team have shared some really useful posters and contact numbers shared in this week's newsletter - please take a look...*

**SCHOOL REOPENS ON MONDAY 6TH NOVEMBER:**

*Here is our first sneaky peek at Miss Fisher's beautiful baby girl - Lily - who was born last Sunday, weighing a healthy 7lb 9oz!*

*We can't wait to meet her! All of the family are over the moon, happy and healthy! HUGE CONGRATULATIONS!*

---

Check out our new Maths Ambassadors...

---

*Well done to all of our children who applied for this important pupil leadership role in school...Miss Wensley can't wait to have your help making sure Maths is the best it can be across school!*

---

## **Year 4 scientists at work...**

---

*Mrs Harding's class had great fun with their science this week, looking at the one of the properties of gas and how it can fill its space. They dropped Mentos into different liquids to cause a chemical reaction that created lots of gas, which tried to fill the space it was in, forcing out the liquid! The faces of the children in the background says it all..!*

---

F1 Diversity Day!

---

*Last week's Friday Focus Day was all about Diversity and celebrating our differences. Miss Hill in our lovely nursery has shared some gorgeous photos and learning with me for this week's newsletter...*

*'As part of the whole school Friday Focus Day 'Diversity' we have been focusing on our hair*

*in F1. We have talked about how our hair is fabulous but how we all have different hair -*

*different colours, styles, textures, lengths etc We have enjoyed creative activities about hair -  
playing hairdressers, making crazy hair*

*styles with crazy scissors, adding different textures of hair to cut out faces and threading*

*pipe cleaner hair and beads onto little faces.*

*We also read a super story called 'Hair' celebrating different hair styles.'*

*As a school, we strive for 100% attendance each week. Anything above 96% attendance, we class as 'good'. We have an attendance team at school, who track attendance of individual children very carefully, to ensure all of our children are able to come to school all of the time and not miss any of their learning. If you need support with your child's attendance, please speak to us straight away.*

***We always report attendance for the previous week.***

***LAST WEEK'S WHOLE SCHOOL ATTENDANCE WAS: 93.4%***

***THE HIGHEST CLASS ATTENDANCE WAS FROM: CLASS 6A with 98.7%***

***ALSO DOING WELL WERE: 2a, 3a, 3b, 5b & 6b ALL WITH 96+%***

THIS YEAR'S TARGET IS 96% AND WE AIM TO REDUCE OUR PERSISTANTLY ABSENT FIGURES FROM 15% TO 8%

## HOW CAN YOU HELP OUR SCHOOL RAISE VITAL FUNDS FOR OUR CHILDREN?

---

*Schools all over the country are struggling like never before - our budgets are so stretched that we are no longer able to offer all the experiences that we know our children deserve.*

*Did you know that you can help in 2 really easy ways?*

*1) EASYFUNDRAISING APP - download it today and help us every single time you shop online, order a takeaway or buy all those Christmas presents that will soon be needed! We will receive a small donation from SO MANY different businesses out there, every time you spend.*

*We currently have 127 supporters and have raised £1,228 - vital money that goes so far in helping us to help your children enjoy their school life so much more. If you're not already signed up, it's really quick and easy - simply follow this link...[https://www.easyfundraising.org.uk/causes/walterhallsprimaryschool/?utm\\_campaign=raise-more](https://www.easyfundraising.org.uk/causes/walterhallsprimaryschool/?utm_campaign=raise-more)*

*It would be GREAT to reach 200 supporters this year so please share this link far and wide!*

*2) PAY IT FORWARD WITH KINDNESS - for all school visits, trips and experiences this year, we are asking anyone who can afford to, to pay anything they can (in multiples of just £1) towards another child being able to get these experiences too. We have no allocated budget to cover the costs of any school visits or experiences - we are not funded well enough to do this any more - and so we have often had to cancel entire visits out, because some of our families simply can't afford any additional costs either.*

*Times are tough for so many - if you can help someone else in some small way, we'd love for you to visit  
PARENT MAIL--PAYMENTS---SHOP---VISITS & EXPERIENCES---PAY IT FORWARD*

*So far we've had £173 of 'pay it forward' donations - you are all SO AMAZING, thank you :)*

*We currently have 137 supporters who have helped to raise over £1000 for our school, so far. This is a meaningful amount of money that comes directly to us to help support our children. Next academic year we would like to put the entire money raised through this initiative towards all school visits and trips. We want to make sure ALL of our children get these chances, no matter their circumstances, and we have next-to-no spare budget to make these happen ourselves.*

*If you have yet to join, or know anyone else who would be willing to join, it is so simple and quick to do. ## Safety reminders

- 
- **COVID and other illnesses** - we want and need our children in school as much as possible. At the moment, advice is for children to isolate for 3-days if you know they have COVID. Upset tummies and sickness requires 48 hours of being at home, to stop the spread. See our poster for other common childhood illness and what you need to do about school attendance.

- ***Please do not gather on the school grounds at the start and end of days.*** We have Epic Sports running after school activities and need to be vigilant in closing our gates at the right times to keep the children safe, both in the morning and after school.
  - ***No dogs are permitted on site at any time*** - we love them but not all children do so please respect this and make plans to leave them at home when coming to school site.
  - ***Bikes and scooters*** - all adults and children should not be riding through the site - please dismount and push them through our pathways.
  - ***PE kits*** – To avoid children needing to get changed during the school day, PE kits must be worn to school on the day of PE, along with a coat / jumper / cardigan to keep children warm during other parts of the day. PE kits must be plain blue tracksuit bottoms or shorts and a plain white top. If you're still unsure of PE days, please call the office.
  - ***Please be considerate and safe when parking outside of our school gates.*** Parking officials patrol as regularly as possible. We politely ask that all of our families are mindful of road safety around our school, where very young children are walking in and out.
  - ***Respectful behaviour on site*** - We respectfully remind you that school is private property and holds it's own set of expectations for conduct on site. If your child walks to and from school alone or gets picked up by another adult we need to know about this - please call the office. We expect all of our children to arrive and leave site in a respectful way and for the conduct of all adults on our site to be polite and respectful too. Repeated cases of problems with this on our school grounds can lead to us asking you to escort your children to and from their classrooms instead of arriving or leaving by themselves and we may ask adults to remain at the gates if respectful and polite adult behaviour becomes an issue.
-
