NEWSLETTER - Friday 15th November

Dear all,

Happy Friday! We've had a great week focusing on Anti-bullying and the children have been asked to think about a new and improved Anti-bullying motto for our school - we've already had some fantastic ideas from our Inclusion Ambassadors! More updates on that soon.

Parents Evenings - if you were able to come along this week, thank you! If you still would like an appointment slot with your child's teacher and were unable to come to these arranged times this week, please let us know and your child's class teacher will do all they can to come up with an alternative timeslot for you.

Christmas Events - If you can help us with our Festive Fun Run or Chocolate Bingo event, with donations of Christmas treats we'd really appreciate it. A letter has gone out explaining what we need and there is a poster included in this newsletter to look at too.

F2 & Y1 Christmas performances have been finalised - if your child is in these year groups, we'd love to see you there to enjoy the show! Please make a note of the dates and times now so that you don't miss out.

Christmas Carol Concert, organised by Mrs Cox, has now been added to our list of events happening this term! Monday 16th December at St Jude's Church, with our Choir and Musicians doing their annual Christmas performance. Please save the date and come along to get your Christmas vibes on!

Bake Off Competition - for adults to enter! If you're a keen baker or you just want to help us raise more money for our school, we're running a Bake-Off Competition for parents and carers to enter. Take a look at the poster in this week's newsletter...entries in to us by December 4th and winners announced at the Festive Fun Run!

Parent Governor Election - If you're interested in putting yourself forward to be a parent governor, a letter has been shared already with our community, with a closing date to respond to me before November 22nd. Thank you to those of you who have put your name forward - I've received a few already.

Reading for pleasure - Mrs Harding, our English leader, is starting a new drive to improve Reading for Pleasure at Walter Halls. We often take the fun out of reading, with all of the technical side of teaching children reading skills. The temptation and distractions of mobile phones, x-boxes and other devices is also a huge barrier for many of our children these days too. Mrs Harding has shared a few pictures of her class taking part in Reading for Pleasure in her classroom and I've shared a recommendation of a great book you may like to look at getting to share at home with your children too. We will be sharing a lot more 'top tips' and 'recommended reads' with our families this year...if you want to share some with us, we'd love to hear from you!

Next Week -

Monday - OPAL assembly for our children

Wednesday - Don't forget Dawn from MHST is always available to chat to in The Nook (just next to the main office) every Wednesday morning from 8.40am. Dawn can help with concerns you may have about your child's mental health and can offer a wealth of confidential advice and support.

Friday - Celebration assembly in the hall at 9am for Y4/5/6

Have a great weekend everyone!

Take care,

Emma Beardah

Reading for pleasure - read in your own way!

Mrs Beardah's 'Recommended Read'

Here's my first 'recommended read' for you...I have bought a book called 'Step into My Shoes' by Alkisti Halikia - it is a story about 'Empathy', which is our core value this term. It's good for Y2-Y6 but probably best pitched at Y3/4 and is a really quick read with lovely pictures! Here's a little snippet from the book to get you interested...

From that day on, I stopped hanging out at school after class. I would leave in a hurry to get to the mosque before the door opened. I liked seeing the shoes and trying them on! I was quick and careful. I didn't want anyone to see me.

ATTENDANCE!

As a school, we strive for 100% attendance each week. Anything above 96% attendance, we class as 'good'. We have an attendance team at school, who track attendance of individual children very carefully, to ensure all of our children are able to come to school all of the time and not miss any of their learning. If you need support with your child's attendance, please speak to us straight away.

We always report attendance from the previous week.

LAST WEEK, WHOLE SCHOOL ATTENDANCE WAS: 95%

The Class with the highest attendance was: 2B with 99.3% - FANTASTIC, AGAIN!

Also doing brilliantly were: Class 3A with 99%, Class 2A and 4B both with 98.3%, Class 6A with 98% and Class 5B and 3B both meeting their target of 96% - AMAZING EFFORT!

THIS YEAR'S TARGET IS 96% AND WE AIM TO REDUCE OUR PERSISTANTLY ABSENT FIGURES TO 15%

*Recommend that July 27 be used as INSET Day (school's decision)

A great **OPAL** uniform

We are pleased to advise that branded tracksuit bottoms*, polo shirts and jumpers/cardigans, can all be ordered through the school office.

*** tracksuit bottoms can now be supplied with and without a logo via the school office. Note, that these uniform items are ordered half-terminly through our school wear supplier.*

Heather Grey

Navy

Black

Light Blue

White

Plain trainers, or trainer-style shoe

Wellies (kept in school)
Water-proofs: jacket with hood or puddle-suit (kept in school if possible)

Other uniform options:

PE kit – to be worn to school on allocated PE days. We do not get children changed for PE during the school day.

- Sportswear suitable for outdoor sports activity – avoid large logos / expensive brands**
- Trainers & socks

**As long as PE kit looks suitable for doing sporting activities, we are not specific about exactly what it should be. Children must be in trainers for PE. Affordable suggestions would be: plain t-shirts, plain tracksuit bottoms or sports leggings, zip-up hoodie for warmth in colder months.

If children are wearing a really great OPAL uniform, this would also work for PE, so long as proper trainers are worn that day.

Are you worried about your child?

Is something happening in school with your child that you need to talk to someone about?

- 1) **FIRST STEP** is to talk to their teacher. Teachers can't chat for long before school and sometimes they have to attend meetings after school. If you need a chat, ask at the office for a call back from the teacher asap
CLASS DOJO is not to be used to raise a problem or worry.
Teachers do not check messages on Dojo regularly nor should they be responding to you after working hours via Dojo
- 2) **NEXT STEP** if you're still upset or worried and things haven't got better, ask to speak with the Assistant Head for your child's year group
- 3) **LAST STEP** if remain unhappy with actions taken, please call into the office and ask for our Deputy Head or Headteacher to call you

We are all working really hard to look after lots of children and families. We won't always be able to chat to you straight away but we do care about making sure children are happy and safe at school.

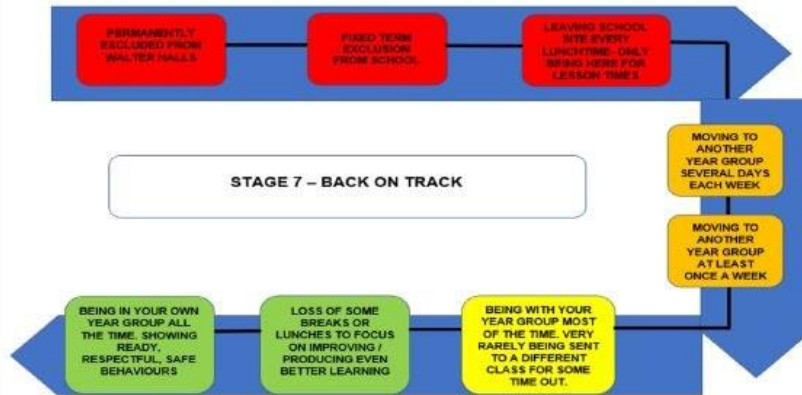

The next pages of this poster shows you how we escalate incidents of negative behaviour and who gets involved and when. We have lots of people at Walter Halls whose job it is to make behaviour as positive as possible – but our children are all still young and need help to learn these things over time. If you feel like a problem isn't changing quickly, quite often this isn't because we're not doing anything about it. Some children need lots of help to change behaviours and this takes lots of time and effort from different adults.

R2R10

1	R Reminder from the adult	We all need reminders about our 3 school rules sometimes: Ready? Respectful? Safe?	
2	2 2 minutes owed	You will spend 2 minutes of your free time with an adult discussing why your behaviours aren't RRS The adult will explain this clearly to you and help you make changes	
3	R Reminder from the adult	If this behaviour carries on the adult will give you just one more reminder.	
4	10 10 minutes owed	You will spend 10 minutes of your free time with an adult discussing why your behaviours aren't RRS and put right what has gone wrong The adult will explain this clearly to you and help you make changes. They might give you a task to do to help you put things right	
5	TIME OUT - A short amount of time away from everyone - OR a longer amount of time needed away from everyone All the adults will decide how long is needed based on what has happened. (Learning mentor/Phase leader / deputy head stage)	You will be taken by a different adult to spend time away from your year group The adult will RECORD this in the behaviour log, arrange where you will spend your hour, organise a restorative conversation	UNSAFE BEHAVIOURS MOVE STRAIGHT TO STAGE 5/6/7: - Verbal with intent to harm - Physical harm - Racial - Homophobic - Bullying All the adults can decide which stage your behaviour should go to, depending on the circumstances. At all times this is RECORDED and contact with home is made.
6		The adults will call home the same day if your behaviours are repeated or unsafe. Adults at home will receive a letter to keep them updated at the end of term and may be invited in	
7	Headteacher adults at home and outside help needed	BACK ON TRACK PATHWAY NEEDED - 'Team around' meeting considered - Face-to-face meeting with outside adults - Regular review of support	

Repeated unsafe behaviours will always be dealt with by senior leaders, on a STAGE 7 plan. You can see more about STAGE 7 on the next

GETTING BACK ON-TRACK – The adults will be keeping track of where you are and where you need to be:

Walter Halls believes in **EQUITY** over **EQUALITY**. Everyone needs different things, not the same. Some children and families need more help than others. That's why Walter Halls has a full-time family support worker, a full-time play therapist, two full-time behaviour mentors and lots of staff who believe in helping children with challenging behaviours. We do lots of things to help before we ever reach Stage 7 or excluding children from school.

OUR CORE VALUE DURING AUTUMN 2 TERM IS...

KINDNESS & EMPATHY

*We teach our children about our values - what they look like and what they sound like. The teaching we cover for this can be found on our website, under the tab 'Visions and Values'. **Here is what we talk about connected with this terms value of KINDNESS & EMPATHY:***

- *Why is kindness so important? What would happen without it?*
 - *How do we show kindness to people?*
 - *Can we be kind to everyone all of the time?*
- *What is empathy and how is it linked to kindness?*

- *Making a difference in the world through kindness.*
 - *Role models.*
 - *The power of a smile.*
- *How to be thoughtful and ask thoughtful questions.*
- *How body language shows us how people are feeling.*
 - *Putting yourself in someone else's shoes.*

As always, your help in talking to your children about all of these things at home is appreciated.

OPAL PLAY UPDATE

Our School started its journey to becoming an OPAL school just last November and we still have a lot of work to do to get it where we want it to be. We continue to work through our action plan with the external support of our experienced OPAL mentor. This is long-term commitment based on research into effective learning via play and children's absolute need to be more active, playful and be able to assess their own risks. The impact we have seen already is amazing - both on behaviour improvements and with children's capacity to sustain focus and learning in the afternoon time.

We will be developing our website this year to offer a quicker way for our families to access OPAL information. Our OPAL Governor is Shani Melbourne and our OPAL leader in school is Jo Glover.

If you're not familiar with OPAL approaches, please take a look here...

EASY-FUNDRAISING - Please help us!

CAN YOU HELP OUR LOVELY SCHOOL?

We currently have 162 supporters who have helped to raise nearly £2000 for our school, so far. This is a meaningful amount of money that comes directly to us to help support our children.

This academic year we would like to continue to put the entire money raised through this initiative towards all school visits and trips. We want to make sure ALL of our children get these chances, no matter their circumstances, and we have NO spare budget to make these amazing experiences happen.

If you have yet to join, or know anyone else who would be willing to join, it is so simple and quick to do. You do not have to donate a set amount - simply shop online through this APP, spending the money you would normally spend, and we will get a small donation made each time! From take-aways to holidays there are so many online outlets that support this initiative.

Safety reminders

-
- ***COVID and other illnesses*** - we want and need our children in school as much as possible. At the moment, advice is for children to isolate for 3-days if you know they have COVID. Upset tummies and sickness requires 48 hours of being at home, to stop the spread. See our poster for other common childhood illness and what you need to do about school attendance.
 - ***Please do not gather on the school grounds at the start and end of days.*** We have Epic Sports running after school activities and need to be vigilant in closing our gates at the right times to keep the children safe, both in the morning and after school.
 - ***No dogs are permitted on site at any time*** - we love them but not all children do so please respect this and make plans to leave them at home when coming to school site.

- **Bikes and scooters** - all adults and children should not be riding through the site - please dismount and push them through our pathways.
 - **PE kits** – To avoid children needing to get changed during the school day, PE kits must be worn to school on the day of PE, along with a coat / jumper / cardigan to keep children warm during other parts of the day. PE kits must be plain blue tracksuit bottoms or shorts and a plain white top. If you're still unsure of PE days, please call the office.
 - **Please be considerate and safe when parking outside of our school gates.** Parking officials patrol as regularly as possible. We politely ask that all of our families are mindful of road safety around our school, where very young children are walking in and out.
 - **Respectful behaviour on site** - We respectfully remind you that school is private property and holds it's own set of expectations for conduct on site. If your child walks to and from school alone or gets picked up by another adult we need to know about this - please call the office. We expect all of our children to arrive and leave site in a respectful way and for the conduct of all adults on our site to be polite and respectful too. Repeated cases of problems with this on our school grounds can lead to us asking you to escort your children to and from their classrooms instead of arriving or leaving by themselves and we may ask adults to remain at the gates if respectful and polite adult behaviour becomes an issue.
-
