

Design your own
comic book

Instructions

Using the template and boxes below,
design and write your very own comic
book strip going from left to right.

A template for a comic book strip consisting of six rectangular panels arranged in three rows. The top row has two panels of equal width. The middle row has two panels of equal width. The bottom row has two panels of equal width. Each panel has a dashed line near the bottom, indicating where to write. There are small stars in the top right and bottom right corners of the template area.
