To make lunchtimes even better, I think we should.....

YEAR 1

COMMENTS FROM PUPILS:

- Not have OPAL play
- Do nothing differently
- Making the space bigger (son said lol)

YEAR 2

COMMENTS FROM PUPILS:

- Make a swing
- Go on the top field without wellies
- Have more activities during lunchtime, such as a swing and slide
- I would like some more scooters to play with
- Play ball games
- Get 50 more cable reels
- Be kind to other children and be safe. Not all the children are kind at lunchtime
- Have a gardening area where we could plant seeds
- Do not go outside when it is raining. A lot of interesting things children can do inside

- Make the lunchtime longer, get more dolls

YEAR 3

COMMENTS FROM PUPILS:

- Have more discipline in place for children who don't want to share
- Have football and other sports back
- No playing in the rain
- Allow us to stay indoors when it is raining and it is really cold
- Let the marble run be a little bit longer. Also let people play on the multi-sport court at lunchtimes

- Too noisy and queues, pressured to eat little and fast as chooses to play outside
- More time for lunch
- A video game area, Wii, Switch or Xbox

YEAR 4

COMMENTS FROM PUPILS:

- Have swings and a sand pit and less people fighting, and better school meals as they are horrible
- Add a roundabout or a swing

YEAR 5

COMMENTS FROM PUPILS:

- He thinks the year 5s should be with the years 6s. the year 3s with the 4s and so on. Their own age groups to make it fair on the time that they have out. Also thinks football should be bought back and handled accordingly with punishment for children who don't follow the rules of fair play
- Re-open the multisport court
- Have some quiet areas as the book corner is always very loud

- Normally, food can be really cold and such. I think they should add microwaves to make it much hotter because people don't like their food cold
- Being football back and all of the sports and not wearing wellies when it's wet
