I like OPAL lunchtimes and think they are better than before

## **To make lunchtimes even better, I think we should (whole school) .....**

Make us ice cream  
A quiet corner or the library open to get some space  
More sensory play  
A bit longer eating time  
Have it in the hall  
More things to play with  
Have more stuff looking after kids, boys are taking and hiding water bottles and nobody cares  
Have more play time  
Help kids when you see it  
Have a pond  
Year 6 zone only  
Make indoor play aswell  
Open the area behind the multi sport court  
Get a trampoline!  
Make the children share  
Have mining equipment  
Add a zip wire  
Have Mac n Cheese for school lunches  
More skateboards, more equipment for games, more bigger size bikes and not broken more soft and realistic equipment  
An inside space for boardgames like chess  
Increase meal quantity  
Listening to songs about food together  
reduce the noise from around the school because it gets too loud

## **Tell us anything else you want us to know about school (whole school) .....**

Everything is fine  
I like TTRS  
There are only one set of toilets to use at lunch and break because we're not allowed to go inside. We also can't go during lesson times. Sometimes, I've needed to go at lunch, but I've held it instead because the toilets are so horrible. None of the locks work, so you have to go with a friend.  
It is good  
When is cold and windy children suppose to eat in hall and not outside  
Everything is good so far  
To help the bullies we are being told is not right and not to be able to defend yourself, self-defence is the right thing  
Our morning break feels really short at the moment. We definitely need to do more art. Having time to stand up and shake and stretch our legs every hour or so.  
Why do people behave so badly to mostly me  
Mrs Terzza is really nice and helpful  
Everything is prefect (except incident the other day). Maybe more adults in rooms would be good.  
I would like more art lessons  
Mr Starling is great  
Playing with my friends is fun  
Do daily diaries  
I want to wash my hands with soap  
I love OPAL  
My peers don't allow me to play with they play with, so I feel segregated  
Are classrooms cool enough for sunny days, also can we have spare hats on hand  
I don't have anything  
Put locks back on the toilets please  
Higher fences in bushes  
Everything is fine  
People call me names sometimes and I think that is very rude
