## ATTENDANCE!

---

*As a school, we strive for 100% attendance each week. Anything above 96% attendance, we class as 'good'. We have an attendance team at school, who track attendance of individual children very carefully, to ensure all of our children are able to come to school all of the time and not miss any of their learning. If you need support with your child's attendance, please speak to us straight away.*

*We always report attendance for the previous week.*

**THE FIRST WEEK BACK OF SUMMER TERM, WHOLE SCHOOL ATTENDANCE WAS: 95%**

*The class with the highest attendance was: CLASS 2A with a perfect 100%!*

*Also doing well were: 1A, 3A, 4B, 6A, 6B - all smashing their target of 96%+!*

The Welly Bank is a new community-led network in Notts. It is free to join and all items are shared free of charge. But **WE NEED YOUR HELP!** We will only grow a bustling network if everyone helps to increase membership so please **TELL A FRIEND** and spread the word

## OUR CORE VALUE DURING SUMMER A TERM IS...

---

*COLLABORATION. These are the main teaching points we will cover:*

---

- *Getting on and falling out.*
- *Conflict resolution. How to work in teams even if we're not friends.*
  - *Taking turns.*
- *Listening and conversation skills.*
  - *Relying on others.*
- *Trust – how to earn it and how to show it.*
- *Making the most of each other's skills – finding the best in each other.*

---

*Please remember, we have several ways you can get in touch:*

---

- *Come and speak to us outside on the playgrounds each morning or after school*
  - *Call the office to make an appointment to speak with a class teacher, phase leader or member of senior leadership – 0115 9150045.*
  - *Send us an email to ask us to call you – [admin@walterhalls.nottingham.sch.uk](mailto:admin@walterhalls.nottingham.sch.uk)*
  - *Class Dojo – this is for class teachers to send out homework, key messages just for their class and for teachers to use to praise and celebrate great behaviour with ‘Dojo points’ given to the children each day. PLEASE DO NOT USE CLASS DOJO TO RAISE A COMPLAINT OR QUERY SOMETHING – call the office or send an email as above instead.*
  - *Parent Mail – whole school messages, newsletters, whole-school events and all bookings for clubs and any visit payments are all done via Parent Mail.*
- 

*If you need help setting up Parent Mail or Class Dojo please call our office for help – our aim is to be as ‘paper-free’ as possible so all key messages will come via these channels.*

£1,048.75 raised

128 supporters

Sign up and support this cause

*We currently have 137 supporters who have helped to raise over £1000 for our school, so far. This is a meaningful amount of money that comes directly to us to help support our children. Next academic year we would like to put the entire money raised through this initiative towards all school visits and trips. We want to make sure ALL of our children get these chances, no matter their circumstances, and we have next-to-no spare budget to make these happen ourselves.*

*If you have yet to join, or know anyone else who would be willing to join, it is so simple and quick to do. You do not have to donate a set amount - simple shop online through this APP, spending the money you would normally spend, and we will get a small donation made each time! From take-aways to holidays there are so many online outlets that support this initiative.*

## Safety reminders

- 
- **COVID and other illnesses** - we want and need our children in school as much as possible. At the moment, advice is for children to isolate for 3-days if you know they have COVID. Upset tummies and sickness requires 48 hours of being at home, to stop the spread. See our poster for other common childhood illness and what you need to do about school attendance.
  - **Please do not gather on the school grounds at the start and end of days.** We have Epic Sports running after school activities and need to be vigilant in closing our gates at the right times to keep the children safe, both in the morning and after school.
  - **No dogs are permitted on site at any time** - we love them but not all children do so please respect this and make plans to leave them at home when coming to school site.

- **Bikes and scooters** - all adults and children should not be riding through the site - please dismount and push them through our pathways.
  - **PE kits** – To avoid children needing to get changed during the school day, PE kits must be worn to school on the day of PE, along with a coat / jumper / cardigan to keep children warm during other parts of the day. PE kits must be plain blue tracksuit bottoms or shorts and a plain white top. If you're still unsure of PE days, please call the office.
  - **Please be considerate and safe when parking outside of our school gates.** Parking officials patrol as regularly as possible. We politely ask that all of our families are mindful of road safety around our school, where very young children are walking in and out.
  - **Respectful behaviour on site** - We respectfully remind you that school is private property and holds it's own set of expectations for conduct on site. If your child walks to and from school alone or gets picked up by another adult we need to know about this - please call the office. We expect all of our children to arrive and leave site in a respectful way and for the conduct of all adults on our site to be polite and respectful too. Repeated cases of problems with this on our school grounds can lead to us asking you to escort your children to and from their classrooms instead of arriving or leaving by themselves and we may ask adults to remain at the gates if respectful and polite adult behaviour becomes an issue.
