Introduction:

At Walter Halls Primary & Early Years School we firmly believe that children receiving the Pupil Premium deserve the same life chances as their peers and have high aspirations for every single one of them. We strive to ensure that the children achieve to the best of their ability and any gaps in learning due to social or financial circumstances are identified and closed. All staff responsible for teaching and learning understand the importance of this support and intervention. Children in receipt of the Pupil Premium receive bespoke interventions, pre- and post-teaching and are assured the opportunity to attend all school visits and residential.

The Covid19 outbreak has inevitably had an effect on all children's learning. We are aware that there may be detrimental effects on our Pupil Premium children's learning and wellbeing so our key aim is to identify these specific and individualised gaps and support recovery from these, putting measures in place to match individuals' needs.

Strategy aims for disadvantaged pupils

Measure	Activity
Aim 1: ATTAINMENT	Improve the Pupil Premium attainment in reading, writing, phonics and maths so that they attain closer to their peers – year groups targets set will be tightly aligned to the specific needs, sizes and multi-vulnerabilities in each year group.
Aim 2: PROGRESS	100% of our pupil premium children to make EXP+ progress in every year group, with targeted groups to make better than EXP.
Aim 3: COVID-RECOVERY	Identify specific gaps in learning and put measures in place following sustained COVID 19 absences
Aim 4: ATTENDANCE	Narrow the gap between pupil premium and non-pupil premium attendance, ensuring PA/SA children who are also pupil premium are targeted relentlessly
Aim 5: SOCIAL/EMOTIONAL/WELLBEING	All Pupil Premium pupils to grow in their resilience, confidence, and wellbeing and be able to communicate their excitement about/interest in learning, demonstrating aspiration for their future
Barriers to learning these priorities address:	A, B, C, D, E, F, G, H (see below)
Projected spending:	£214,913
PP & RP allocation	£206,386
Difference	-£8,527 (school budget)

Identified Barriers to Learning

Measure	Score
A	Pupil Premium EAL & those with C&L difficulties make less progress in their language skills than their peers
B	Higher attaining Pupil Premium pupils make less progress in reading, writing and maths than their peers
C	Lower attaining Pupil Premium pupils require additional support to ensure they attain as well as their peers and make expected progress, they are vulnerable learners
D	A number of Pupil Premium pupils require support due to lack of self-belief and confidence in their abilities
E	Children are not exposed to a wide variety of life experiences that allow them to experience in context, the vocabulary required to access all aspects of the curriculum
F	Attendance of specific Pupil Premium families is poor and requires continuous support and challenge
G	Pastoral issues for a number of our Pupil Premium pupils
H	LAC or Post LAC Pupils can present as vulnerable learners

Target aims for Pupil Premium pupils 2022-23.

Aim	Target	Target date

In June 2019, the Education Endowment Fund published a new guide on the Pupil Premium, aiming to support schools in spending their Pupil Premium to maximise the benefit for their students. The report recommends school take a tiered approach to Pupil Premium spending. Teaching should be the top priority, including professional development, training and support for early career teachers and recruitment and retention. Targeted support for struggling pupils should also be a key component of an effective Pupil Premium strategy; as well as strategies that relate to non-academic factors, including improving attendance, behaviour and social and emotional support.

Our tiered approach is detailed below under the headings

1. Teaching Priorities for current academic year
2. Targeted Academic Priorities for current academic year
3. Wider strategies

1) Teaching priorities for current academic year

Measure	Activity
<p>1. <u>Phonics & C&L strategies</u> Ensure all staff have good understanding of effective teaching of phonics and a range of strategies for improving approaches to C&L barriers</p>	<ul style="list-style-type: none"> *Increased adult capacity for phonics groupings x3 days per week *Whole Staff training allocation priority – RWInc Accredited *MER schedule – learning walks / subject leader monitoring and feedback – every term *Bespoke TA training across all year groups – Autumn & Spring terms *Increase resource support for parents via packs and website – Autumn term *Additional support for RQT and second year ECT staff *English leaders own CPD – NPQ in leading literacy and NST networks
<p>2. <u>Reading, Writing & Maths</u> Provision for reading is judged to be at least a ‘good’ standard in its delivery and impact. Gaps brought about by COVID are closing</p>	<ul style="list-style-type: none"> *Spelling resource and NfER spelling assessment package purchased and disseminated to staff *Whole Staff training allocation priority – every term. Focus on SPaG and writing *MER schedule – learning walks / subject leader monitoring and feedback – every term * English leaders own CPD – NPQ in leading literacy and NST networks. *Maths CPD with NCETM for maths leader, RQT & TA. Further investment in maths manipulatives across school *Embed actions arising from NST reading and writing reviews as well as July Ofsted visit
<p>3. <u>Quality first teaching</u> Ensure all teachers and TA’s actively and continually improve approaches to teaching and learning strategies</p>	<ul style="list-style-type: none"> *Rosenshine Staff training – termly feedback on effective teacher habits *Increased feedback on effective provision for SEND *Staff Meetings and Appraisal Cycle observations Oct/Feb *Appraisal triad teams – Spring term *Pupil progress dialogue with phase leaders/SLT & subject leads – termly *Action planning from Curriculum & Assessment leader

Targeted academic support for current academic year

COVID- RECOVERY STRATEGY DECISIONS – 2022/23 (based on EEF tiered approach guide to supporting COVID-19 recovery.

Chosen strategies 2022-23	Rationale
'Top-up' funding for School-Led Tutoring Programme (part of the NTP for COVID recovery) – across KS2	Known-adults to be able to lead before and after-school tutoring sessions. Evidence suggests that, compared to their peers who do not receive tuition, pupils who receive small group tuition may make, on average, 4 months additional progress and pupils who receive one-to-one tuition may make, on average, 5 months additional progress.
Increased allocation for staff CPD with a focus in reading, writing and maths strategies post-COVID	EEF tiered approach suggests that an investment in high quality CPD and a focus on quality first teaching is the strongest lever to improving outcomes and accelerating progress
Increased capacity for small group intervention work across KS2 – additional teacher time KS2	EEF evidence consistently shows the positive impact that targeted academic support can have, including on those who are not making good progress across the spectrum of achievement
Increase capacity for 1:1 daily reading sessions across FS & KS1 – additional teacher time FS/KS1	EEF evidence shows a focus on phonics and a range of reading strategies can positively impact by 5-6+ month progress. Capacity for 1:1 feedback positively impacts by up to 6+ months progress
Increased capacity for supply costs to be covered with consistent teacher – cover supervisor investment. Ensure stability of mentoring and behaviour support	Creating stability in the event of further staff absence. Improvement in capacity for full feedback and better resourcing with more stable staffing plans in place.
Increased allocation for reading resources across school and to continue to build of phonics provision at home	Supporting the investment in focused reading progress and improvements with links to home reading opportunities / frequency of reading at home. EEF research shows parental engagement can accelerate progress by 4+months

Measure	Activity

Projected spending	£16,965 (RP) + £24,480 (PP) = £41,445 (plus 60% separate School-led tutoring grant = £20,250)

Wider strategies for current academic year

Measure	Activity
1. Improve Pupil Premium attendance overall	<p>*Pupil progress meetings to identify individual attendance barriers – links made with FS Worker and Attendance team via phase leaders</p> <p>*Investment in effective collaborative work between phase leaders, family support worker and attendance leader all school-based</p> <p>*Links with identified families via Family support worker during allocated parent meetings twice a year.</p> <p>*Investment in attendance rewards every half term and end of year attendance prize, to incentivise positive strategies.</p> <p>*Investment in breakfast provision with targeted support offered to PP families identified as above</p> <p>(F, G)</p>
2. Meet the needs of individual Pupil Premium pupils by providing provision for wellbeing, confidence and resilience	<p>*Investment in full time family support worker, play therapist and assistant SENDCO to maintain high capacity of pastoral support every week</p> <p>*Weekly ‘time to talk’ and play therapy sessions allocated to identified PP children.</p> <p>*Investment in Freedom Factory and Epic offering 1:1 and 1:2/3 mentoring support through sport and other activities</p> <p>*Investment in ‘Epic sports’ provision offering activities to small groups over and above PPA provision</p> <p>*Ensure all PP children have proper uniform and equipment</p> <p>*Investment in Pupil leadership ensuring PP children engage with these groups – Inclusion Ambassadors, Head Students, Sports Ambassadors and Reading Leaders</p> <p>(B, C, D, G)</p>
4. Ensure Pupil Premium children have access to the same range of life experiences and activities as their peers	<p>*Ensure all Pupil Premium pupils to attend all trips and residential offered to them (D, E)</p> <p>* Investment to offer a variety of experiences, visitors and speakers to our Pupil Premium children to inspire them and engage aspiration values (for example INTU university for Y6 funded, Regular visits for every year group as above – to ensure the quality of these visits targets aspiration (D, E)</p>
