Football Active SEND Inclusive Sessions

Our inclusive football sessions offer a supportive and engaging environment for young people aged 7-14 with Special Educational Needs and Disabilities (SEND). Led by experienced Teachers who work in Special Needs Schools in Nottingham. The coaches will combine their experience of working with young people with SEND with their knowledge of football coaching to create amazing inclusive sessions.

The sessions provide opportunities to develop football skills, build confidence, and make new friends.

We would be grateful if you could share the attached eFlyer with parents as we know how little opportunities there are for children with additional needs.

Study Smart UK are working to promote fully funded CACHE courses with certification, available in levels 1, 2 & 3, for school support roles that are funded by the ESFA (Education Skills Funding Agency).

Funding has been made available in your school's area for our next course for this academic year, which starts on 30th September and we would be very grateful if you could make the parents/ carers at your school aware of this.

As the funding has been awarded by the ESFA there are some eligibility criteria that must be met for a fully funded place, which is listed on our website: www.studysmartuk.online

These courses are designed to make it easy for parents/carers who are looking to gain the necessary qualifications for a school support role, as the classes are run online, within school hours and during term times. Allowing parents to fit the classes in with school drop offs and collections.

Upon enrollment learners are asked to complete two short initial assessments online, in English and Maths to determine which level they should start on. However, the funding allows each learner to progress up to level 3, if they wish to.

We have funding in your school's area and wondered if you could share the attached poster to parents and carers at your school, so they can be made aware of this opportunity. I have attached the poster in both a PDF and JPEG for you to choose from, depending on the platform you use to communicate to parents.

We work closely with your local job centre and are able to offer a job interview to those who complete the course.

▪ CONFIDENCE ▪ FOCUS ▪ DISCIPLINE

PH: 07832 165005

Dear Students and Families,

I hope this message finds you well and enjoying your karate training.

Each year, we aim to cast our attention towards a specific community issue with a view to raising both funds and awareness for the cause. As strong advocates for non-violence and anti-bullying, we have been working on developing a partnership with a major national charity that assists victim-survivors of domestic violence.

I am therefore pleased to announce our new partnership with [Refuge](#) and our accompanying 'Stop Domestic & Family Violence' – Purple Belt Campaign.

Refuge is the largest specialist and family violence service provider in the UK dedicated to supporting those affected by domestic and family violence, regardless of their gender. Their mission is to commit to a world where domestic abuse and violence against women and girls are not tolerated and where women and children can live in safety. While acknowledging that domestic and family violence is predominately gender-based, affecting women and children disproportionately, GKR Karate, in solidarity with Refuge, unequivocally condemns violence in any form, against anyone.

Each year, Refuge directly helps thousands of adults and children who experience abuse to become safer through their frontline services and programs. Refuge works hard to address all aspects of domestic and family violence issues, from safety and recovery to providing meaningful support and assistance to victim-survivors.

SCAN HERE TO ORDER YOUR BELT

PLEASE JOIN US AND SHOW YOUR SUPPORT FOR 'REFUGE' AND OUR 'STOP DOMESTIC & FAMILY VIOLENCE' CAMPAIGN

Our specially designed Purple Belts are now available for pre-order online. Purple is universally recognised as representing domestic violence awareness. These purple belts can be worn in classes during the month of October to help us draw additional attention to this great cause.

Profits from the sale of our Purple Belts in the UK will be donated directly to Refuge to assist with their refuge accommodation, community outreach support, independent advocacy, culturally specific services and support for children.

As our Purple Belts are a pre order, the cut off date for ordering your belt is Sunday 11th August 2024. This will allow us enough time to have your special purple belt made and sent directly to you in time. Purple Belts are available in sizes 2, 4 and 6. These will be posted directly to you so that you receive them 1-2 weeks before the October campaign.

We are confident that aligning ourselves with such a worthy cause, will help to reinforce GKR Karate's core values whilst also doing our part to provide aid where it is desperately needed.
