

School Uniform

Here is our school uniform policy. We feel that it encourages a sense of pride and unity and avoids children becoming competitive about what they are wearing. It should also be easier for parents and sets children up for the future as most workplaces have a uniform/dress code. You can purchase a Walter Halls sweatshirt and polo shirt with the school log on from the office. Although we would like children to have a sweatshirt with the school logo, we understand that these are more expensive and you may choose to buy a plain version from a local supermarket school wear selection. Plain versions must be smart, the same type (e.g. a sweatshirt, not a jumper in the same colour and from a children's school wear selection).

Please label all clothing using a marker pen or sewn on labels.
